

## Courthouse Steps variation of Log cabin block

The steps in brights that read as solid  
The sides in fabric that reads as white  
12.5" unfinished block (12" finished block size)

Center square cut 3 1/2"  
all logs cut 2" wide and lengths to fit

First sew one set of sides (white) onto square  
then add one set of steps (color)  
then 2nd set of sides (white)  
then 2nd set of steps (color)  
then 3rd set of sides (white)  
then 3rd set of steps (color)

\*see block illustration for suggested piecing order
